To verify your identity, the details in Section A must exactly match your identification documents.

If you have changed your name from that on the identity document, you will also need to provide a change of name document. Please check below which documents are acceptable. ***Change of name documents must be issued by the Registry of Births, Deaths and Marriages. Documents issued by a celebrant are not acceptable**

To satisfy the identity document requirement, you must produce original and current documents in one of the following categories. A translation will be required for Passports, Drivers Licences and Birth Certificates if not in English. The English translation is to be completed by a NAATI accredited translator.

- If you do not have two category 1 documents, you may produce three category 2 or 3 documents.
